DJ Hazard—Nov 17 to Nov 28

We love DJ Hazard! DJ and his guitar have been coming to Rumor's almost annually for over 20 years. This Bostonian had a memorable performance in *Blackballed: The Bobby Dukes Story*. DJ has made multiple appearances at the Montreal Just for Laughs festival as well as T.V. appearances on HBO, Showtime, & Comedy Central.

John DiCrosta—Dec 1 to Dec 19

John DiCrosta, the man of many voices recent credits include: the role of the Doctor in the hit movie *Transformers*, audience warm-up on *American Idol*, and numerous stand-up performances at the Riviera in Las Vegas. The L.A. based DiCrosta, appeared during our holiday season last year and the audiences thoroughly enjoyed his very-clean comedy.

Reserving your Christmas Party...

Reservations for our Holiday Season may be made by calling Rumor's at 204-488-4520 or by email at rumorscc@mts.net
Calls or emails should be addressed to Maggie or Ross.

We will need to know the date, whether or not your group is reserving the Dinner/Show Package or Show only, and group size.

Please make sure that we have your email address.

Should we have your space available, we will contact you with a confirmation and a contract to hold the space. Once you receive our contract you will have 5 days to provide us with a \$10 deposit per person. The final payment will be due 14 days prior to the date of your function. At that point you will be allowed a 5% reduction in numbers attending without penalty. Reductions in numbers of attendees beyond 5% will result in the loss of the deposit. The final payment amounts to the balance.

The final cost including tax and gratuity including the deposit per person for dinner and show package will amount to \$65.45

Any cancellations received within 14 days of the date of your event or an excess of 10% of your confirmed group size will be non-refundable. Any no shows on the night of your function will be non-refundable.

For the Holiday Season many groups like to purchase drink tickets for their guests. We can accommodate this easily, we just need a little information... We need to print on the ticket exclusions if any. We have drinks of several different prices and our servers need your assistance in clarifying which items in our menu are to be offered to your guests. You can chose to exclude Wines, Ice Cream drinks, or Premium Liquors. If your guests would like to order something that has been excluded we will run a separate tab for them. You group tab will include all the drinks accounted for by drink tickets. A 15% gratuity will be added to the group tab which we expect will be settled that evening.
